

The Active&Fit Enterprise™ Program

(Employer-Sponsored Program)

User Guide

The Active&Fit Enterprise[™] employer-sponsored program provides eligible members with access to thousands of participating fitness centers* nationwide. Join multiple fitness centers at a monthly cost, and/or pay a low annual fee for one Home Fitness Kit per benefit year.

* Non-standard services at fitness centers which require an added fee are not part of the Active&Fit Enterprise™ program.

Getting Started

Each health plan sponsor decides whether to opt in to the Active&Fit Enterprise[™] program and whether to offer coverage to employees only, or extend coverage to dependents aged 13 years and older. If you are not sure if you (and your dependents) are eligible, please check with your health plan administrator. For assistance with registration, you may call Active&Fit Customer Service toll-free at **(877) 771-2746** (TTY/TDD 711) Monday through Friday, 5 am to 6 pm PST.

Important Information

- 1. If your medical plan eligibility terminates, your Active&Fit Enterprise[™] membership will terminate concurrently. Reinstating an Active&Fit Enterprise[™] membership requires re-enrolling in autopay for monthly fees for the Fitness Center Program or the annual fee for the Home Fitness Program. You may cancel your membership at any time after the initial 2-month commitment.
- Your Active&Fit Enterprise[™] membership is effective until your health plan's annual renewal date, regardless of when you personally enroll, so please check with your health plan administrator if you are unsure. You must then pay the applicable member fees for Fitness Center membership or Home Fitness to continue your membership upon your health plan's annual Active&Fit Enterprise[™] renewal.
- 3. On or after your renewal date, your Active&Fit® online account will indicate it is time to pay your annual fee or reenroll with a fitness facility. Follow the steps outlined above for Enrolling in the Fitness Center Program or Enrolling in the Home Fitness Program to renew your membership. Be sure to do this before your first visit to a fitness facility on or after your renewal date. In some cases, your facility may ask you to renew an annual contract onsite. No additional payment will be required. Renewal options are not available in advance; do not attempt to renew your membership before your renewal date.
